POUNDA PORN STUDIOS

Pounda Porn Studios are one of the major players in the LA Blue Movie industry. The studios were set up by Calista Vice and Max Cummings. Calista is the senior partner. She provides the business acumen. Max, who was Pounda Porn's Chief Film Director, provided the creative flair. In his time Max directed some of the industry's major stars, including the one time porn mega-stars Butch Macho and Brooke Torrents. Max was briefly married to Brooke.

THE PORN AWARDS

Calista Vice had the brainchild of "The Pounda Porn Awards", an awards ceremony to celebrate key achievements in the world of blue movies. Held at the Heavenly Pleasures Hotel, the cream of the blue movie world attended the ceremony, hoping to be honoured with a "Golden Roger". Calista compered the first half of the show. Max was to comper the second half. During Calista's half, four Golden Rogers were awarded.

- Best Director – Swing Bothways
- Best New Cummer – Big Boner
- Best Cock Gobbler – Tatiana Rocksoff
- Most Copious Spunk Shot – Butch Macho

THE PORN PHONE

Calista's section of the show ended with her telling the guests about Pounda Porn's new product – the Porn Phone. Although an everyday mobile phone, it features a special "porn" button. By pressing this, users can text a request to Pounda Porn's film database requesting a five minute film of any type of sexual action they please. The Pounda Porn database immediately transmits them a film clip of the desired subject. Calista finished her promotional spiel by showing a short film of major porn stars endorsing the phone.

MAX'S LAST KNOWN MOVEMENTS

There was then a half hour break for guests to refresh themselves at the bar and pick up free Porn Phones from the Pounda Porn stand.

Max Cummings, who was due to present the second section of the show, spent the first fifteen minutes of the break in the bar, mingling with his guests. He was talking to the Indian porn sensation, Bunny Baboor, when his Porn Phone rang. Miss Baboor states that the caller was female, and that she overheard the woman telling Max that she had to see him immediately and that she would be waiting outside his hotel room. Max, who had a room on the third floor, apologised to Miss Baboor and left the bar. A hotel employee saw him getting into one of the main lifts.

DISCOVERY OF THE BODY

There are two main lifts that service all floors and which can be accessed from the front of the hotel lobby. However there is a lesser used lift hidden round a corner at the back of the hotel lobby. This lift, as well as accessing all floors, can also be used to access the fifteenth floor smoking balcony. This balcony, well hidden away, is little frequented.

Towards the end of the break Miss China Rose, Pounda Porn's most recent recruit, summoned the back lift to visit her room. When the lift arrived and the doors opened, Miss Rose broke into terrified screams. Max Cummings' dead body lay on the lift floor.

CRIME SCENE DETAILS

Police medics say that Mr Cummings was shot at close range in the chest. Death would have resulted within a minute.

Lying beside Mr Cummings was an unsmoked cigarette and a Golden Roger award.

Mr Cummings' Porn Phone was missing from his body. It was later found outside the hotel beneath the 15th floor smoking balcony. Police deduce it had been thrown from the balcony. The 15 storey drop meant the phone has been smashed beyond repair and no call or text information can be extracted from it.

INVESTIGATION

Captain Jack Doff, of the Los Angeles Police Department, was responsible for security at the award ceremony. He is therefore leading the investigation into Max Cummings' death. He is being assisted by Lieutenant Spark, also of the LAPD.

Captain Doff has identified seven main suspects who are all closely connected with the dead man. He believes Max's murderer will turn out to be one of these people. To assist him in his enquiries he has assembled a probing panel of porn stars. These stars have worked closely with both the dead man and the seven suspects. Jack, believing their inside knowledge will assist him to solve the crime, has given them a free rein to interrogate the suspects.

YOU ARE INVITED TO TAKE THE ROLE OF

JACK DOFF, 55,

STRONG, TOUGH, OVERSEXED POLICE OFFICER

My name is Captain Jack Doff, a strong, tough, oversexed member of the Los Angeles Police Department. I am aged 55. I was in charge of security at the awards ceremony tonight. I was present throughout the entire evening and I view it as an impertinence that someone decided to commit a murder on my watch. I am therefore determined to discover the guilty party. And it so happens that through knowledge that I don't want to reveal yet, I already have a good idea who the guilty party is... *(Give a long hard look at Tatiana Rocksoff).*

I am being assisted by a colleague from LAPD headquarters, Lieutenant Spark. The Lieutenant was not present at the evening's events, and is therefore not a suspect. I am not too easy having Lieutenant Spark as my subordinate in this investigation. The Lieutenant is a very ambitious character, and I believe has an eye on my job.

Now, let me explain how the evening will progress...
